

Job Site Hand Sanitizer Station

The **all-black** unit is perfect for the Entertainment industry. This dispenser is ready to go to work wherever you are:

- Sound Stages and Studios
- Location Shoots
- Theaters
- Outdoor Stages

Take care of your team and **install this dispenser without adding any extra gear** to your job site. Mounting bracket can be used with a range of industry-standard hardware:

- Half Couplers
- C-clamps
- 5/8in Baby Pin Adapter

A full range of mounting hardware available!

4 Easy Ways to Mount!

Mount the dispenser where it is convenient – clamp to truss towers, scaff standards, boom & base. Use a baby pin adaptor to attach to an extra C stand or other grip hardware.
